

My name is Stella and I am a professional freelance dancer based in Stuttgart.

After graduating at the University of Art of Zurich (ZhdK) with a bachelor in contemporary dance - June 2019 - and right after starting my career as a dancer with Tanz Theatre Pforzheim, in order to follow my passion for the cultural field, I graduated at the Rome Business School with a Master in Arts and Cultural Management - November 2021 -

Up to now, my career as a dancer have always had the priority therefore, I have never had the time to put into practice my theoretical studies about the management world.

Since I would love to gain more experience in the field of Production for the independent performing arts scene, I am now looking for a position as a production assistance.
